ADDITIONAL RELEVANT EMPLOYMENT HISTORY

February 1991 – Present

Andy Curtis Audio

Proprietor

Professional voice over artist, MC, Radio & Live DJ and Quiz Master. Experienced Radio & TV Presenter & Producer. Offer in-house, in-flight, background and foreground music programming services for any venue or vessel. Manage promotional and entertainment events for selected clients and organisations around Hong Kong and the region. Operated, managed & programmed all "On-Air" content for an in-house "Radio Station" at Someplace Else Restaurant & Bar at The Sheraton Hong Kong Hotel & Towers from August 2005 until July 2006.

April – November 2018

Imagesound PLC

Senior Sales Manager (APAC)

Responsible for all existing clients in the APAC region with customer service and technical enquiries. Required to generate new business and follow up on leads from internet enquiries. Performed sales calls, assessed music requirements and made recommendations to clients. Selected suitable music, prepared audio samples, and programmed entire background music upon approval.

December 2005 – August 2007

AudioBase Ltd

Director/Shareholder

Set up the company with two other Directors to expand business opportunities and capabilities. Transferred all previous business from Andy Curtis Audio. The company specialised in the provision of state-of-the-art and computer-controlled audio/visual systems & solutions for the Food & Beverage, Leisure, Hospitality, Retail and Passenger Transport Industries. My responsibilities included selecting suitable music for venues and programming it for playback. Client list included such diverse names as The Hong Kong Football Club and Krispy Kreme Doughnuts, amongst others.
